

Genuine Aftermarket Pump Programme

Supported by our authorised service centres

- Made using genuine Kawasaki parts and configured by selected authorised service centres, ensuring the highest quality compatible solution
- Base pumps and kits stocked by trusted centres for a speedy delivery
- A huge range of model combinations available in stock across K3V and K5V pumps with more Kawasaki products coming soon*

*Now available with K3V112, K5V140 and K3V280 with K3V63, K5V80 and M5X being released late 2025

Kawasaki After Market Support

The only guarantee that your repair uses genuine Kawasaki parts is to use an approved service centre
